Survey Options:

- I would like to schedule an interior and exterior (complete) survey.
- SSI has my permission to conduct an exterior only survey at any time (property owner's presence during the exterior survey is optional).
  - I would like to be present during the exterior only survey.
- No, thank you. I do not wish to accept the survey offer.

Vibration Monitoring:

- SSI has my permission to install a vibration monitor on my property (property owner's presence during installation is optional).
- No, thank you. I do not want a vibration monitor installed on my property.

I have the following concerns:
